REQUEST FOR CONSIDERATION OF CITED DOCUMENTS

Sir:

Applicants filed an Information Disclosure Statement (IDS) listing and enclosing ten references with the USPTO in the subject application on February 22, 2005. The IDS included a transmittal letter of two pages and a Form PTO-1449 which listed the ten references cited. A copy of the IDS and PTO-1449 form as filed is attached as Exhibit 1.

Applicants received a stamped return post card (copy enclosed as Exhibit 2), which evidences receipt of the IDS. In accordance with MPEP §503, a post card receipt which itemizes and properly identifies the items which are being filed serves as prima facie evidence of receipt in the USPTO of all the items listed thereon, on the date stamped thereon by the USPTO.

The PAIR system shows that a two page IDS and ten references were received, but shows no Form PTO-1449. This omission was not noted by the USPTO in any succeeding

Office Action. Clearly where an IDS and references have been submitted, then if the PTO did not have a Form PTO-1449, that fact should have been communicated to applicants.

In any event, it is requested that the PTO consider the PTO-1449 Form in the IDS received February 18, 2005 and that an initialed copy of the Form PTO-1449 be transmitted to applicants in order to evidence consideration of the cited references.

Since the IDS was timely filed it is not believed that any additional fee is necessary. If any fees are deemed due, they may be charged to Electronic Deposit Account 50-3939.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
